

**95 ABW**

# **Compliance Restoration Program (CRP)**

**Environmental Restoration Program  
Edwards AFB, CA**

**Bruce Oshita  
20 May 2010**

# Policy

95 ABW

- **Office of the Under Secretary of Defense  
29 December 2008 Memorandum**
  - Established ERA as sole source funding for environmental cleanup activities
  - Provides Air Force authority to revise ERA eligibility criteria
  - Applies to active installations
- **16 January 2009 Air Force Memorandum**
  - Beginning fiscal year 2011, authorizes the use of ERA funds to implement the CRP

# Compliance Restoration Program (CRP)

95 ABW

- **Program Execution**
  - Environmental Restoration Account (ERA) will be sole source of funding for environmental cleanup activities in fiscal year 2011
- **Revised Defense Environmental Restoration Program (DERP) guidance authorizes ERA funding for “compliance cleanup” sites**
- **Metrics: Remedy in place (RIP) goals under development**
  - Draft Goal: Achieve RIP at all sites by 2020

# ERP Transformation Synergy

95 ABW

- **Environmental Restoration Program (ERP) Transformation:**
  - Provides complete cleanup program picture (Installation Restoration Program [IRP], Military Munitions Restoration Program [MMRP], CRP)
- **Optimizes prioritization and resource allocation**
- **Optimizes IRP/CRP groundwater monitoring programs**
  - Consolidate sampling schedules and methods
  - Eliminate sampling parameters and redundant monitoring locations
  - Reduce sampling frequencies
- **Presents consistency working with regulators**

# CRP Site Inventory

## Status of Sites by U.S. EPA Region

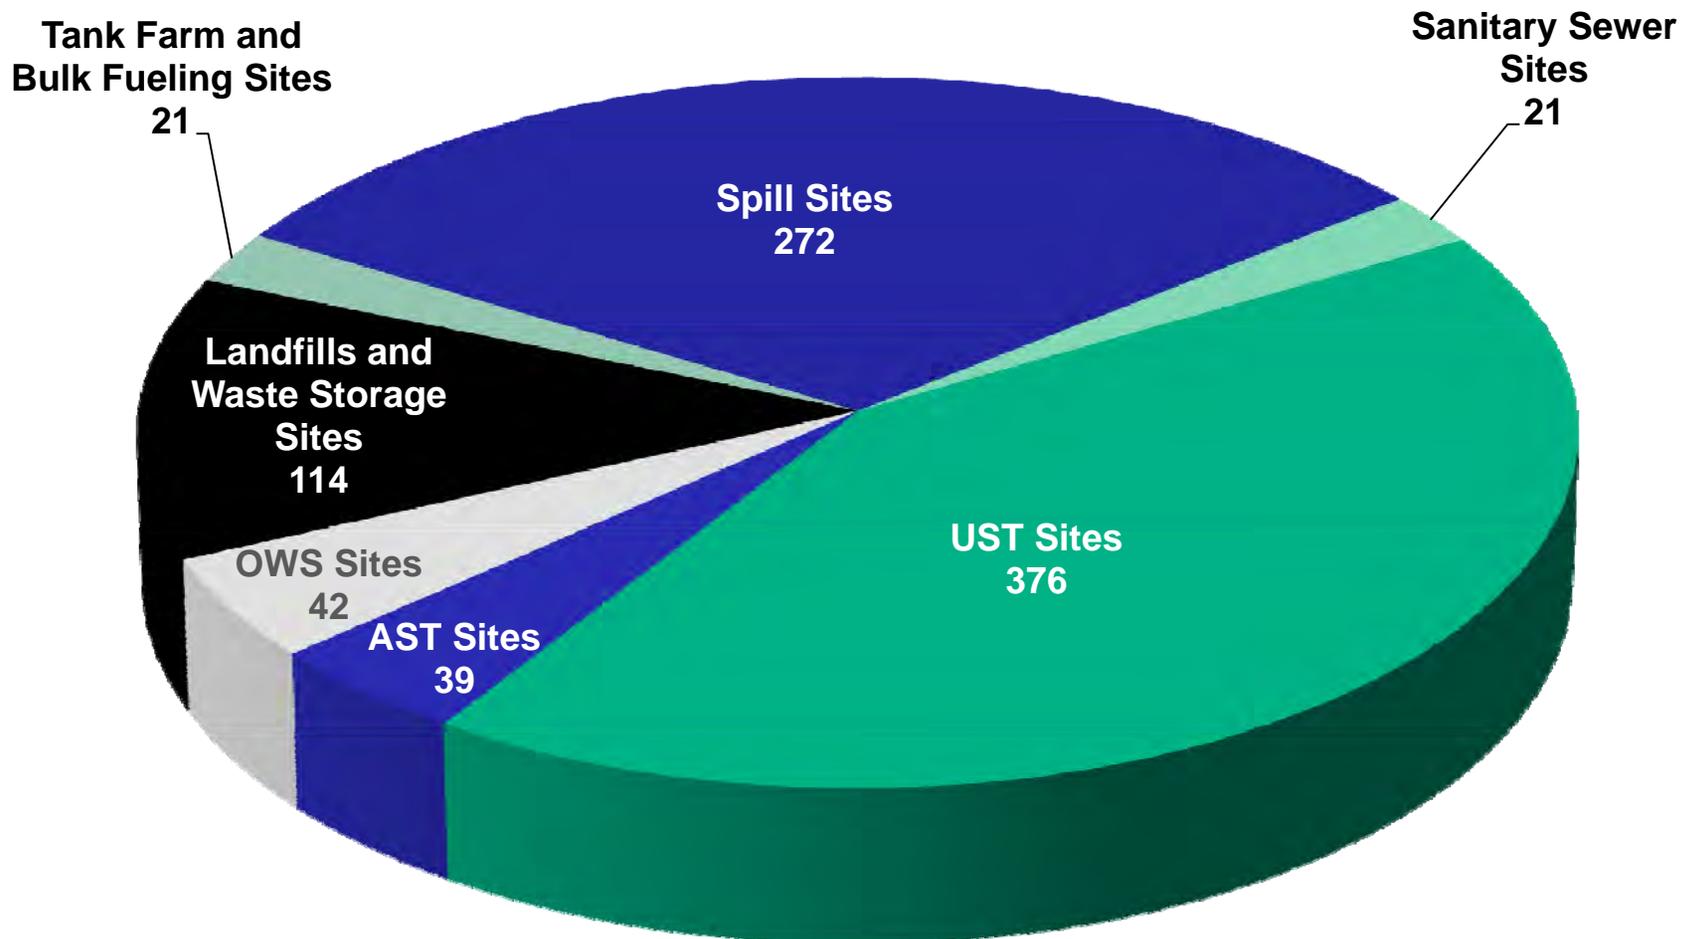

*Integrity - Service - Excellence*

# Validated Sites by Type

95 ABW

# Execution Status

95 ABW

- **Edwards AFB Fiscal Year 2011 (FY11) Status**
  - Completed 2009 site inventory
    - Seven sites identified
    - Five sites are FY11 “must-funds”
  - Developed site specific project requirements
  - Completed FY11 program build (narratives, cost-to-completes through site close-out, database online tools)
- **Air Force Center for Engineering and the Environment (AFCEE) Headquarters**
  - Prioritizes rest of FY11 CRP sites
  - Executes project awards for FY11

# Edwards AFB Way Ahead

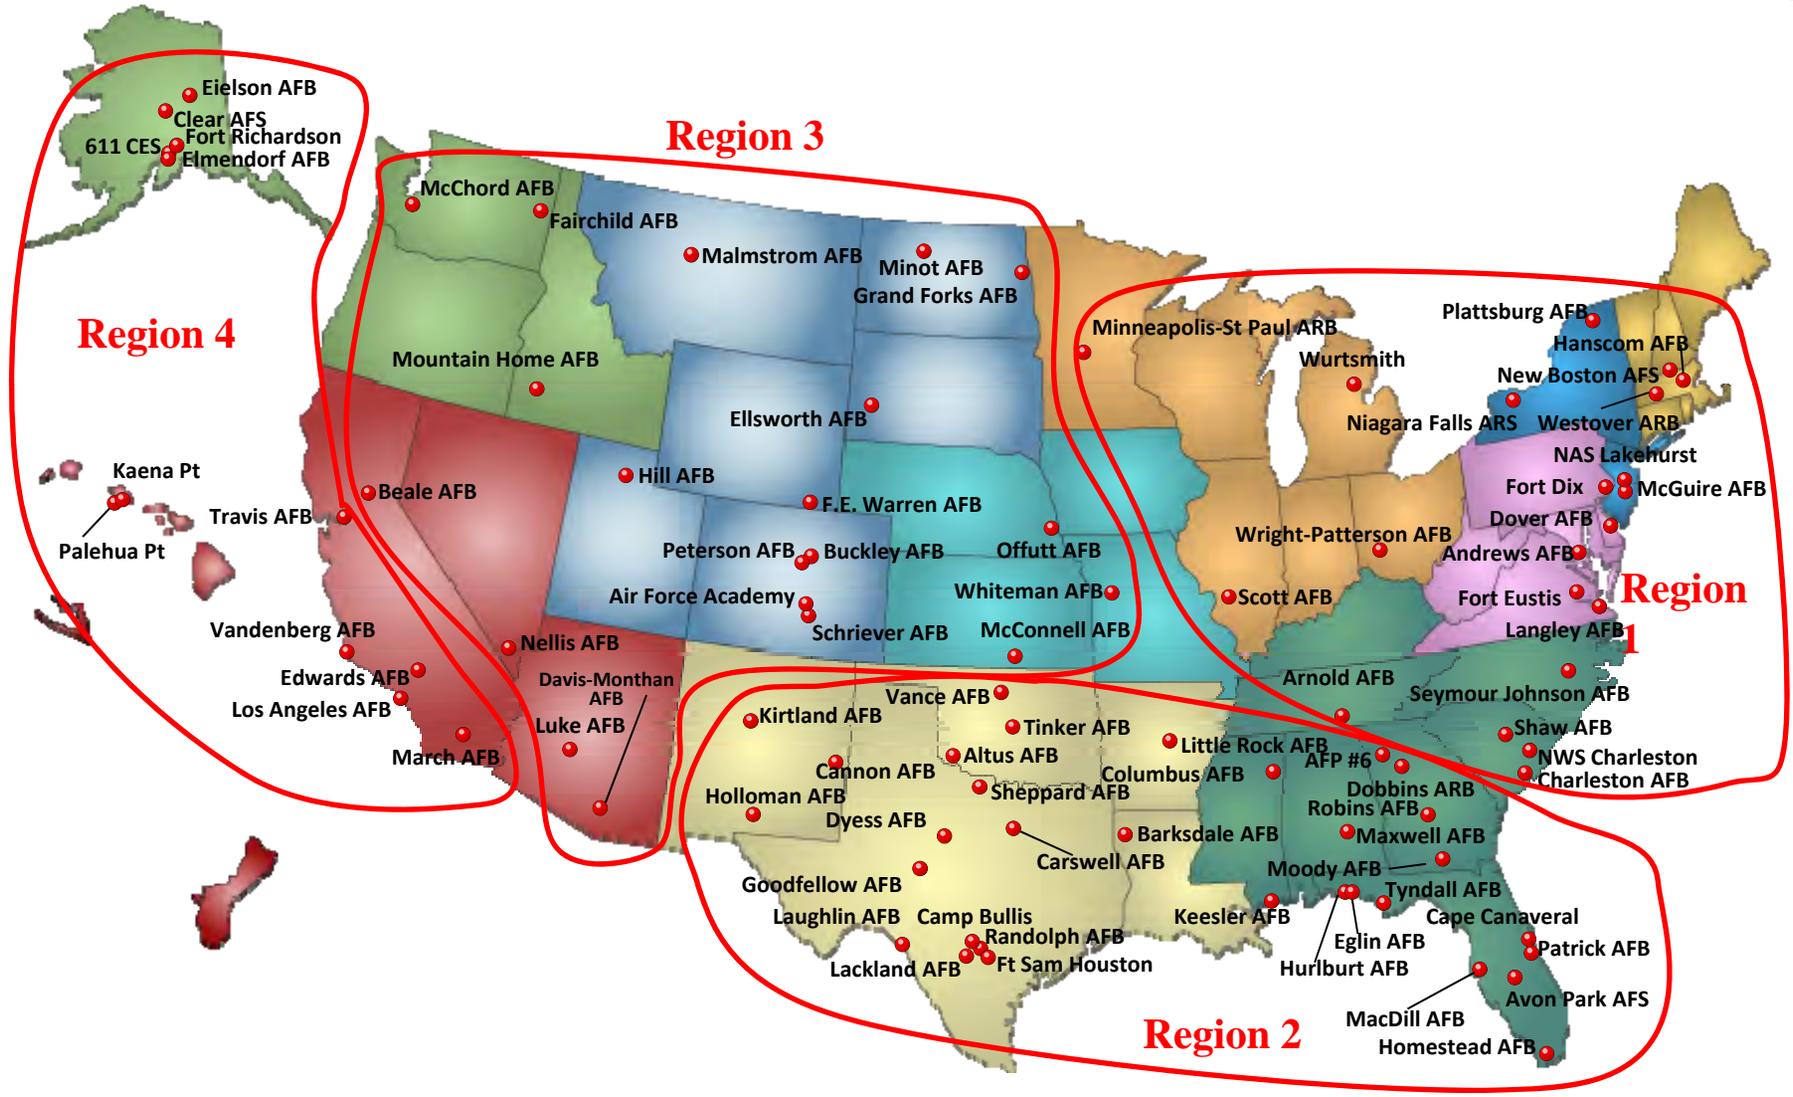

95 ABW

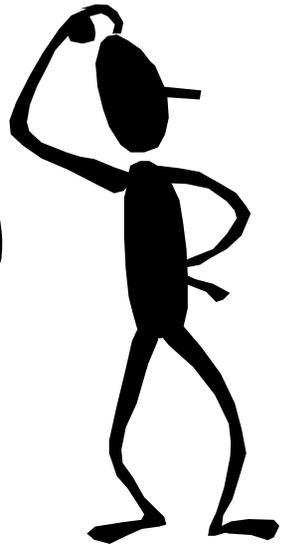

- **Co-mingled sites may require new Operable Unit (OU 11)**
  - Cleanup performed under Federal Facility Agreement (FFA) framework
- **Petroleum, Oil, Lubricant (POL) sites under local authority (Kern County)**
- **Follow-up site inventory for base Oil Water Separators (nationwide) will be scheduled**
  - Base visits will be conducted January through December 2011
  - Involves record search and/or sampling
  - Final report scheduled May 2012

# AFCEE Oil Water Separator Regions
